

# PIZZERIA CAFE

The Rise Pizzeria is a family business born with the idea of providing the local community with a place to gather and enjoy the best local and imported produce.

The owners combined their passion and experience for wine and Italian food, creating the perfect mix to make our restaurant the new local favourite.

The continuous updates and research of new wines to pair with our dishes makes your dining experience unique each time you visit.

Our "Romana Style" pizza is crafted following the original recipe from Rome. The dough is left to rise for a minimum of 48 hours, which gives enough time for the natural yeast to make our pizza light and crunchy.

When you visit The Rise for the first time, you enter as a customer but leave as a friend.
